- Created the complete student management system using PHP and MYSQL.

### Automatic Chrome Dino Game Player

(04/2021 - 05/2021)

- Automated the Chrome Dino Game using Microcontroller ATmega328p & LDRs

## EXPERIENCE

### Internee

CAST(2 months)

01/2022 - 05/2022,

### SYNTECX (on going)

SYNTECX software company as a Backend developer.

## PROGRAMMING LANGUAGES & SKILLS

C++

REACT JS

NODE JS

MONGO DB

JAVASCRIPT

PHP

MYSQL

AutoCAD

MERN STACK

## ACHIEVEMENTS

Semi-Finalist of Speed Programming Competition  
Held by Ministry of IT (10/2021 - 10/2021)

Survived till Semi-Finals of Speed Programming Competition Held by Ministry of IT under Digital Pakistan Cyber Hackathon 2021 Program.

Scholarship Holder of ORBIT COLLEGE

(05/2015 - 08/2018)

Selected among 40,000 students in STFS scholarship program initiated by Pakistan Science foundation under Ministry of Science and technology.

## CERTIFICATES

Participation in Robotics Contest ROBIAN 2019  
(12/2019 - 12/2019)

Active and individual participation during all Pakistan Robotics Contest ROBIAN 2019.

Runner Up Certificate in Programming Competition  
(06/2019 - 06/2019)

Runner Up certificate in C Programming Certificate held on 11 June

2019 organized by IEEE Robotics and Automation Society COMSATS.
